

## WIPL-D Software Training

Location: USA - Washington DC

Date: Thursday, March 9, 2017

WIPL-D will take part as an exhibitor (booth# 1843) at SATELLITE 2017 Show at the Walter E. Washington Convention Center, Washington DC, USA (March 6-9, 2017).

On the last day of the SATELLITE2017 conference on Thursday, March 9, 2017, WIPL-D will offer a full day training (from 9 AM to 5 PM) for the WIPL-D Software.

The training will be held in Hampton Inn Convention Center (901 6th Street, Nw, Mt Vernon Square, Washington DC), near the SATELLITE2017 venue.

The focus of the WIPL-D Software Training will be modeling and simulation in the new version of WIPL-D Pro CAD software. Modeling of various EM problems will be demonstrated, new software features will be discussed, and time will be allocated for answering user questions regarding specific problems.

The training will consist of morning Basic Training (9AM-12PM) and afternoon Advanced Training including Tips and Tricks for Increased Productivity (1PM-5PM).

We encourage each attendee to bring their own laptop. We will provide the WIPL-D software if it is not already installed. If you are unable to bring your own laptop, we will provide you with one during the training.

### Additional details:
